

Mini MP3 Musicbox with FM Alarm Clock (MB300)

The August MB300 is a stylish remote controlled mini MP3 Hi-Fi system with FM radio and alarm clock function, ideal for bedside, boat, party and travellers.

The high quality mini MP3 player comes with SD/MMC card reader and USB socket for music playback from memory cards and USB sticks.

A 3.5mm audio line-in jack is included for playing music from an external iPod, MP3 player or any audio player with an audio out socket.

The built-in Lithium rechargeable battery allows music playback for up to five hours and backup power supply to the clock and calendar is provided by two AAA batteries while the device is switched off or disconnected from the mains.

The MB300 has a built-in alarm clock which offers three wake-up modes including buzzer, FM radio and MP3 music.
